

NEW

Loves work, loves weekends.

THE NEXT GENERATION

Mahindra
PIKUP

Mahindra
Rise.

The Next Generation Mahindra Pik Up double-cab has been designed without compromise to be practical, strong and to deliver at every level. Generous on power and with superb reliability, its 1000 kg maximum payload¹ and 2500 kg braked towing capacity provide the Pik Up with impeccable working credentials. It has all the essential comforts and technological advances you would expect, from the four-speaker touchscreen infotainment centre with Bluetooth connectivity for your phone, through to static bending headlamps that help you to see around dark corners. This comes with a contemporary new look that includes a restyled signature Mahindra front grille with chrome inserts, dual projector headlamps with 'eyebrow' LED running lamps, an integrated air-scoop in the bonnet, and tough new wrap-around bumpers.

The Next Generation Mahindra Pik Up is powered by Mahindra's legendary 2.2 litre, 4-cylinder mHawk turbo-diesel engine. The new six-speed transmission delivers an impressive 103 kW of power and 320 Nm of torque, providing effortless acceleration and all the muscle you could ever need. The updated engineering is more fuel efficient too, and low on CO2 emissions - a hallmark of Mahindra's cutting-edge technology.

The Pik Up's Mechanical Locking Differential (MLD) is manufactured by the world renowned Eaton Corporation with its 'shift-on-the-fly' functionality further enhancing its off-road capabilities. It provides full axle lock automatically when needed without any manual intervention, providing the optimum traction for your situation.

1 - Payload: 4X2 = 1095 kg, 4X4 = 995 kg

COMES FULLY LOADED WITH FEATURES.

smart

and strong.

01 - The legendary mHawk turbo-diesel engine.

02 - Dual projector headlamps with LED eyebrow running lamps.

03 - The restyled signature grille.

04 - The six-speed gearbox provides ample power whenever you need it.

05 - Tough new wrap-around bumpers.

06 - The touchscreen infotainment centre provides GPS navigation, Bluetooth, CD/DVD, USB/AUX support as well as providing an interface with the vehicle management system.

07 - Essential controls for phone, audio and cruise functions are at your fingertips on the steering wheel, keeping your hands where they should be.

08 - 12V charging points are available in both the front and back rows.

09 - Dual airbags for driver and passenger.

CONVENIENCE, CONTROL AND SOPHISTICATION

The Next Generation Mahindra Pik Up responds to your every need with luxurious interiors, and is loaded with features including the touch screen infotainment system with GPS navigation, Bluetooth, CD/DVD, and with USB/AUX support. The management system provides vehicle related information at your fingertips while the automatic temperature control will maintain the cabin just as you like it. On the driver's side the easy to read instrument cluster keeps you in-tune with the vital statistics of your drive and journey, and the new steering wheel incorporates cruise control, audio and telephone controls to keep your hands where they should be. Other advances include the introduction of Micro-hybrid technology that enables the engine to intelligently switch into standby mode when not in use, saving both on fuel and the environment. Rain and light sensors automatically turn the lights on in adverse lighting conditions and your wipers on in the rain. The driver's seat is fully height adjustable to ensure your perfect comfort and ride position.

On the performance front, new Cushion Suspension and Anti-Roll Technology provide unparalleled stability and road holding, while ABS (anti-lock braking system) with EBD (electronic brake distribution) will keep you in control in hazardous situations.

Additional safety aspects of the Pik Up include dual front airbags and side impact protection bars. On the security front, the engine immobiliser includes an encrypted key recognition system that will reject any foreign key accessing the vehicle. This is further supported by the anti-theft warning system to protect against illegal entry.

ABS with EBD will keep you in control when you think you're losing control

10 - Rear replacement bumper with towbar.

11 - Front replacement bumper with winch mounting plate.

12 - Rock-slider.

A comprehensive range of high quality accessories is available to enhance your vehicle - providing you with all that you could possibly need to go wherever your wanderlust takes you and ensuring you look the part, too. Ask your dealer for more details.

Technical data	S10 DOUBLE CAB 4X2 & 4X4
Engine capacity	2179 cc
Number of cylinders	4
Fuel type	Diesel
Aspiration	Turbocharger
Fuel injection type	Common rail
Bore x stroke	85 x 96 mm
Compression ratio	16.5:1
Power output	103 kW @ 3750 r/min
Torque output	320 Nm @ 1500-2800 r/min
Fuel consumption - combined	7.9 l/100km [2WD] / 7.9 l/100km [4WD]
CO2 Emission	210 gm/km [2WD] / 211 gm/km [4WD]
Emission - Euro stage	Euro 2
Drive type	2WD / 4WD
Transmission	6-speed manual
Low range	Available on 4WD only
Mechanical differential lock	Rear axle MLD
Wheel rim size	6.5J X 16"
Tyre size	245/75R16
Spare wheel	Full size spare
Spare wheel lock	Yes
GCM	5650 kg
GVM	3150 kg
Payload	1095 kg [2WD] / 995 kg [4WD]
Legal towing weight - braked	2500 kg
Legal towing weight - unbraked	750 kg
Overall length	5175 mm
Overall width	1820 mm
Overall height (unladen)	1915 mm
Minimum ground clearance	210 mm
Wheelbase	3040 mm
Track - front	1450 mm
Track - rear	1450 mm
Approach angle	34°
Breakover angle	18°
Departure angle	15°
Fuel tank capacity	80 litres
Turning circle radius	6.7 m
Load area [length x width x depth]	1489 X 1520 X 550 mm
